

Shakespearean  
**Woman** No. 4  
Macbeth series

**Lady Macbeth on the couch! Exclusive**

I'm so alone!

...trapped in domesticity

Lady MacBeth session 8 Aprille

I am Nothing

what's my FIRST name?

...just a reflection of my husband

PREVIOUSLY...a mothers advise

Your JOB is to make a good marriage

Aim High - aim for the TOP

and it makes me crazy!

Women lack social purpose and companionship

They can become afflicted by a torrent of humours

She could join our coven...

My fortune is tied to his

but he is weak

if the witches will King me by magic?

Lady MacBeth has an imbalance in her humours

Trust me I'm a doctor

...of her own making

Melancholic cold dry black bile earth	Choleric hot dry yellow bile fire
Sanguine hot moist blood air	

too much gall too much bile too much cholera

GOIT

Thanks for ye Man-splaining

DR. FRASCO TEFERSON MEDICINE

Cholera gives you courage

courage leadership decisiveness independence

But I want power

I'd be a better man than Macbeth
